It took the complexity of a villanelle for explanation

Written By: Edmund Alexander Sims

It took the complexity of a villanelle for explanation, (A1)
Is this why my closest family now sees an enemy; (b)
A soul for a heart, helped me through this impossible situation. (A2)

'Quiet,' She says, 'they should've taken time to pay attention' (a)
Who have I become that distant friends welcome the end of me, (b)
It took the complexity of a villanelle for explanation, (A1)

Instead of rejecting Her love for me, I fell in - true to our creation, (a)
When did associates learn high school clique mentalities so fully, (b)
A soul for a heart, helped me through this impossible situation. (A2)

I died for my craft, my Lady Friend - reincarnated my occupation, (a)
How did I give of myself, yet on responsibility - the at will flee, (b)
It took the complexity of a villanelle for explanation, (A1)

'You liked it - calling me your Wife, so stow the contrition' (a)
I don't believe in tragedies, so where's my happy ending, (b)
A soul for a heart, helped me through this impossible situation. (A2)

Calling Goddess, schizophrenia - their hate is typical of my liberation, (a)
I'm no travesty - what was it that they wanted, indeed. (b)
It took the complexity of a villanelle for explanation, (A1)
A soul for a heart, helped me through this impossible situation. (A2)
